

20TH Edition 3D CHARITY HOCKEY AND SOCCER TOURNAMENT

- **What:** 20th Edition 3D Charity Hockey and Soccer Tournament. The hockey tournament will include approximately 250 Peace Country school teams from grade 4 to 12. Four years ago we started a soccer tournament running at the same time with another approximately 150 Peace Country school teams in grades 4 to 6 and that will be bigger this year.
- **When:** April 30, May 1, May 2, 2021. Games start at 9:00 am on Friday and 8:30 am on Saturday going on both ice surfaces. Soccer will be next door at the field house inside the Eastlink Centre.
- **Where:** Coca Cola Center and Eastlink Centre
- **Proceeds:** Last year we raised just over \$90,000 for serious or terminally ill students, kindergarten to grade 12 in the Grande Prairie Catholic, Peace Wapiti, and Grande Prairie Public school districts. We ask for donations for attendance to the games. Much of our money is raised by cash donations from corporate and business contributors.
- **Benefits:** The money helps to lighten the burden for these students and their families who need treatment. Some students may need to travel to Edmonton and therefore we can help them with transportation, food, accommodation and other miscellaneous expenses. Last year over 40 students shared \$95,000, supporting travel and accommodation costs were given to each student along with a gift that included laptops, reading aids, etc to help with their school life. We have also purchased wheel chairs, strollers, etc. for students with mobility issues, and often this can be as high as \$10,000 depending on the equipment needed.
- **Marketing:** We very much appreciate your support. As a token of our appreciation, we will be making a minimum of 5 PA announcements over the course of the tournament before, during and after each game mentioning the name of your business and your contribution. We are also designing a large color banner with our game schedule and the business logos and names around the perimeter. We may need to get your logo for our VIS COM department for the banner. We also would appreciate someone from the company to attend a presentation at a local school to make a cheque presentation to the student and their family.
- **Receipts:** If you are able to help, mail cheques (made out to 3D Children's Society) to address below, attention Darren, or call/email and cheques can also be picked up at business. A business receipt will be mailed out if requested.
- **Contact:** Darren Foley, Chair, school 532-7721 ext 1283 or home 539-7164
