3D Children's Society

Past Recipient Scholarship

Background

The 3D Children's Society was started in the 1999-2000 school year when high school students from the Peace Wapiti, Grande Prairie Catholic, and Grande Prairie Public school districts played in a hockey tournament to raise money for students with serious or life-threatening medical conditions. As those past-recipients of the 3D Children's Society finish their secondary-school careers, they may wish to go onto post-secondary education. The 3D Children's Society Scholarship will be $2500.00 per student.

Minimum Eligibility

1) Must be a past-recipient of the 3D Children's Society while attending a school in the Peace Wapiti, Grande Prairie Catholic, or Grande Prairie Public school districts.
2) Enrollment in a program commencing in the same year of the application at a recognized Canadian post-secondary institution.
3) Applications must be mailed to Darren Foley at the Grande Prairie Composite High School no later than May 31 of the current school year.

Application Checklist

1) Completed Application Form
2) Proof of Enrollment at a recognized Canadian post-secondary institution
3) Cover letter outlining your post-secondary goals and what certificate/diploma/degree you wish to obtain, as well as career goals and what you hope to accomplish when your program is completed.
